

Your paper can make a difference.

Please help us raise \$50,000 for the United Way agencies of NW Indiana. Your support of the United Way is as easy as buying copy paper. No forms, no codes, and no coupons to clip.

Every eligible carton of paper which is purchased has a portion of the proceeds automatically go to support the United Way of your company's county.

With our price match guarantee you will ALWAYS receive your best paper pricing up front while assisting the United Way so that they can continue to fund agencies which help our communities.

Could we make your next delivery of copy paper be one that helps your county's United Way?
